

**FROM:** Victoria Márquez-Mees, MICI Director  
**CC:** Arantxa Villanueva, Compliance Review Phase Coordinator  
**REQUEST:** MICI-BO-2014-079  
**OPERATION:** Drainage Program in the Municipalities of La Paz and El Alto (BO-L1028)  
**SUBJECT:** Notice of Extension of the Investigation Stage  
**DATE:** March 28, 2017

---

This is to inform you that we are notifying the Parties today that the Board of Executive Directors has approved the request for an **extension of the investigation period for an additional 21 business days** for the case MICI-BO-2014-079, regarding the Drainage Program in the Municipalities of La Paz and El Alto (BO-L1028). The extension was requested by the MICI for the purposes of giving Management the opportunity to prepare and deliver documentation that has been requested in the context of the investigation and for MICI to review and analyze its content.

This extension was approved as a result of the Board of Executive Directors' consideration by short procedure, in accordance with paragraphs 59 and 43 c of the MICI Policy (MI-47-6). The new date for issuance of the Draft Compliance Review Report is **May 31, 2017**.

At that time, the MICI will distribute the Draft Report to Management and the Requester for comments, in accordance with paragraph 44 of the MICI Policy. Both Parties will have 21 business days to submit their comments on the report.

Further information regarding the processing of this request can be found on the [case page](#) in the Public Registry.

Without anything further, I am at your disposition to answer any questions that may arise.
