### **Compliance Review Report for Loan 2323/OC-BR for the “São José dos Campos Urban Structuring Program” (document MI-21-6)**

The Policy and Evaluation Committee met on 16 May 2017 to consider the Compliance Review Report for loan 2323/OC-BR for the “São José dos Campos Urban Structuring Program” (document MI-21-6). The Committee members praised the relevance and quality of the work of the Independent Consultation and Investigation Mechanism (MICI), noting the good communication between it and Management.

The Committee members were supportive of the seven recommendations offered by the MICI, three of which were case-specific, and the other four were of a general nature. The Committee also appreciated the clarifications provided by Management regarding the MICI report.

As Chairperson of the Policy and Evaluation Committee and reflecting the discussion in the Committee, I recommend that the Board of Executive Directors endorse the recommendations detailed in section IV of document MI-21-6.
