DATE: Energy Program" (CH-L1136) January 10, 2018

SUBJECT: **Non-Registration of Request MICI-BID-CH-2018-0129**

Dear Requester,

After receiving and reviewing your communication on January 8 of this year, and within the five business days defined by our Policy, we have found that it pertains to two different themes and therefore we divide our answer below:

1. Regarding your information request

Regarding the specific information that you are requesting about the "Sustainable Energy Program" (CH-L1136), we inform you that the MICI office is not the IADB office responsible for processing information requests, so your petition must be referred to the corresponding instance.

The body responsible for responding is the Public Information Center (PIC) which is a Bank office over which the MICI has no attribution. In that sense, you can submit a request for information through the Bank website: <https://www.iadb.org/en/information-request%2C18885.html>.

2. Regarding the allegations of possible non-compliance

In reference to your claim regarding the use of Program resources, after reviewing your Request, we find that it applies to it at least one of the exclusions provided in paragraph 19 of the MICI Policy (MI-47-6) that are subject to verification during the registration stage.

Specifically, for your request, literal 19 exclusion (b) states that neither the Consultation Phase nor the Compliance Review Phase will apply to Requests that are without substance. It is consideration of MICI that the allegations raised in the Request are not related to the activities developed by the "Sustainable Energy Program" (CH-L1136) and therefore lack substance.

This is to notify you that the administrative processing of your Request has ended because exclusion 19 literal (b) applies. With this determination the processing is terminated For Request MICI-BID-CH-2018-0129. This administrative action is taken in compliance with paragraph 20, subparagraph (b) of the MICI Policy.

I am always available for a call if you need further information or guidance on the MICI and the process of submitting a Request.

Kind regards,
