

FROM: Victoria Márquez-Mees, MICI Director
CC: Arantxa Villanueva, Compliance Review Phase Coordinator
REQUEST: MICI-BID-PR-2016-0101
SUBJECT: Notice of Extension of the Investigation Stage
DATE: August 29, 2017

This notice is to inform you that we are notifying the Parties today that the Board of Executive Directors has approved a request for an **extension of the investigation period for an additional 40 business days** for the case MICI-BID-PR-2016-0101, regarding the Downtown Redevelopment, Modernization of Metropolitan Public Transport, and of Government Offices Project (PR-L1044). The extension was requested by the MICI for the purposes of carrying out a number of additional activities such as interviews and document review, and to finish the drafting of the preliminary report.

The extension was approved as a result of the Board of Executive Directors' consideration by short procedure, in accordance with paragraphs 59 and 43 c of the MICI Policy (MI-47-6). The new date of issuance of the Draft Compliance Review Report is **November 2, 2017**.

At such time, the MICI will distribute the Draft Report to Management and the Requesters for comments, in accordance with paragraph 44 of the MICI Policy. Both Parties will have 21 business days to submit their comments on the report.

Further information regarding the processing of this request can be found on the [case page](#) in the Public Registry.

Without anything further, I am at your disposition to answer any questions that may arise.
